

The Veterans Bridge Home Captain's Club is a select and voluntary group of Veterans in the Charlotte metro area who wish to continue to lead people toward a common mission. The common mission is helping Veterans Bridge Home (VBH) continue to be a community leader in successfully transitioning Veterans home after military service.

How does the Captain's Club help further the mission?

- After the regimen and sacrifice of military duty, transitioning to civilian life can be challenging as Veterans reunite with their families, pursue a new profession, locate services which were all on base, and build a social network. As a Captain, you'll help with the latter, increasing the social capital of fellow Veterans new to the area and those wanting to get "plugged" in to a social network and making friends. The Captain would be the glue that helps hold this network together.

What do Captains Do?

- Captains are an extension of Veterans Bridge Home and thus support events, volunteer opportunities and other related programs throughout the year. They also will get invites to special VBH events

Are there any requirements to be considered for a Captain?

- Yes and they're fun! There's only a few requirements we ask of our Captains.
  - Being a table captain at VBH's annual Lunch and Learn (May)
  - Being a Volunteer lead for at least one monthly Volunteer opportunity that VBH creates
  - Attend at least two (2) monthly events throughout the year, such as a monthly lunch or breakfast

Do Captains receive anything?

- Yes, they will receive:
  - Invites to attend special events
  - VBH polo with Captain's Patch
  - VBH shirt/hat
  - Recognition & opportunity to be named Captain of the Year

How do I be considered for the VBH Captain's Club?

- Please complete questions below in an email and send to Peter Vacho at [pvacho@veteransbridgehome.org](mailto:pvacho@veteransbridgehome.org)
