

VETERAN OF THE MONTH NOMINATION FORM

Veterans Bridge Home would like to recognize our fellow Veterans who served and are continuing to serve, their community. Do you know anyone who served, who doesn't seek attention, but seems like they're always doing good? This is your opportunity to show them a little love. No matter how young or old, we encourage you to nominate a deserving Veteran today.

Veterans will be selected on such factors as community impact and service record. Each month VBH will select a Veteran who will receive a VBH prize package including a shirt, hat, recognition and more. Selections will be recognized in The Connector and social media channels. They will also be entered in a drawing to receive four (4) free Carolina Panthers tickets to a game during the 2019 season.

Veterans Bridge Home would like to thank you for helping us recognize our region's Veterans for the significant impacts they make at home and in their communities.
